Re: Letter of Recommendation

To Whom It May Concern:

It is with great pleasure that I have the opportunity to recommend Richard J. Ivy of Ivy Architectural Innovations to you.

For over 10 years , Richard J. Ivy has been the architect of choice for Atlantic Shores Baptist Church as well as our Christian School. His creativity in proposing various options and his knowledge of new and cost-effective materials have produced outstanding facilities for us.

Presently, we have four (4) projects started or ready to start with the largest one being a 24,000 sq. ft. Family Life Center.

Again, it is a pleasure to recommend Richard to you and, hopefully, you will enjoy the great working relationship that we have experienced and benefited from over many years.

Sincerely,

Richard L. Hornbeck, Jr.
Director of Development
