To Whom It May Concern:

I write on behalf of Richard Ivy, Architect, Ivy Architectural Innovations. Mr. Ivy was the architect on our recent \$3,200,000 expansion/renovation project here in the parish. He guided us through the design phase, meeting with building committee members, staff and even with parishioners at an open house. His expertise in helping us discern our needs and suggest designs that would meet them was invaluable.

Mr. Ivy remained active throughout the construction phase and, we are pleased to say, the project came in within budget. I would recommend Mr. Ivy and his firm for any church project. If I may be of any further assistance, please contact me.

Respectfully,

(Rev.) Christian J. Haydinger
Pastor
